

Humane Society of Moab Valley

Report to Donors

Making a Difference January 1, 2017 through December 31, 2017

Mission: The Humane Society of Moab Valley promotes and provides responsible care for our community's animals.

Vision: Every pet has a safe, healthy, happy life and a forever home.

Values: Our compassion for animals inspires integrity, honesty, transparency and tenacity in our work and relationships as well as dedication to our community and its animals.

Humane Society of Moab Valley is primarily funded by gifts from people like you. Our mission in Grand and San Juan Counties is to promote and provide responsible care for our community's animals. We thank our partners, Mill Creek Veterinary Hospital and Moab Veterinary Clinic who play a critical role in helping us carry out our mission.

HSMV

- Offers subsidized spay/neuter clinics and vouchers for community pets. This program reduces unwanted animals, shelter intakes, and at-large pets in the community as well as improves animal health.
- Helps find forever homes for abandoned pets housed at the Moab City Shelter through website and social media posts, weekly advertisements, and pet adoption days.
- Sterilizes and provides vaccinations for shelter dogs and cats.
- Sterilizes, provides vaccinations and feeds community (feral) cats to keep their populations stable.
- Offers free food, collars, and leashes to pet owners in need to help keep their pets in their home.
- Educates residents and tourists about pet health such as the importance of spay/neuter and pet safety.
- Provides some medical expenses for life-saving treatment for animals who would otherwise not receive it.

Thank you to our 2017 partners. We received a generous spay and neuter grant for \$33,310 from PetSmart Charities. This grant was used entirely to sterilize 429 San Juan County pets. Red Rock 4 Wheelers, Grand County, San Juan County, Green River City, and Moab City also provide support.
